

COMPAK – K3 PUSH

The Compak K3 Push range of grinders are ideal for the serious home barista.

This 'no mess' version is ideal for the home or office as it grinds and doses straight into your handle.

This is a great way to keep your coffee fresh as you grind as you need.

Adjusting your grinder is easy. The turn dial underneath the hopper makes it quick and convenient to adjust.

A great grinder for home use!

OUTRIGHT PRICE: \$585.00

Featuring 58mm flat burrs, you are guaranteed a precise and consistent grind. The grind size can be easily adjusted with the stepless grind adjuster ring, offering you unhindered control. Just place your handle into the holder and the coffee starts to grind, straight into the handle. To stop grinding, just pull your handle back. Fresh coffee guaranteed every time.
